anges which meant the altering of is intended to give the effect of the country on the West Side

Light Colors to Prevail.

Is given annually to other causes by the congregation. The entire \$150,000 for its intended to give the effect of the country on the West Side third tracking, so busy are busy eventeen express stations right on top of local stations, the remodelling of other stations, the use of 12,000,000 feet of new railway ties, the putting on of fo.500 tons of new steel rails, and other achievements to be recorded in figures, so dear to the heart of statistical stations. The same company that owns the new site owns also the next block to the north and a restriction has been placed on that front compelling two feet. Thus the new church cannot be shut in on that side.

The exterior of the edifice will be of the congregation of sixty and the putting down of the congregation of sixty and the congregation of sixty and the putting down of the congregation of sixty and the congregation of sixty and the putting down of the putting down of the congregation of sixty and the congregation of sixty and the putting down of the congregation of sixty and the putting down of the putting down of

Mr. Hedley added that experimental trains were run over the lines yesterday and the day before, and that the pracand the day before, and that the pracand the day before without a bitch. and the day before, and that the practice runs were made without a hitch. The hours for the express service are limited to between 6:20 and 10:02 in the morning and 4 and 7 at night, varying according to the various routes. These hours, Mr. Hedley said, may be extended later on to include more than the rush hours of the day. This is being considered by the company.

As for men, Mr. Hedley said he had

MAGISTRATES BALK AT GOWNS.

Brooklyn Police Judges Don't Take

Kludly to Suggestion.

The Brooklyn Magistrates don't want
to wear robes.

Chief Magistrate McAdoo recently
wrote a friendly letter suggesting that
they don'the robe to conform to the
practice of their confreres across the
practice of the practice of the pract

don't intend to start in wearing 'em now.

"The been a Magistrate for sixteen years," said A. V. D. Voorhees yesterday, "and I've never yet found it necessary to wear a robe to fine a drunk. As for dignity, we have never been accused of a lack of it. If they want to wear them in Manhattan and The Bronx, all right, but I don't intend to."

Magistrate Steers, former Borough President, was reluctant to discuss the suggested garment, but it is believed that he also is opposed to the robe. As for Magistrate Naumer, he wouldn't talk about it at all.

Magistrate McAdoo thought it would tend dignity to the affairs of the Brooklyn police courts if the robe came into use over there, and might have a good effect on some of the susceptible persons brought before the various bars,
